MOTION

DRAFT Amendments to the “ALEC Consistency in Firearms Regulation Act”

Ms. Tara Mica, National Rifle Association, motions to amend the “ALEC Consistency in Firearms Regulation Act” (1999) by striking and introducing the following:

Summary

This Act would prohibit local jurisdictions from independently enacting restrictions on the possession of firearms. This Act would also preempt the right of local jurisdictions to bring certain civil actions against firearms or ammunition manufacturers, trade associations, and dealers.

Model Legislation

{Title, enacting clause, etc.}

Section 1. {Title.} This Act may be cited as the Consistency in Firearms Regulation Act.

Section 2. {Intent; Declaration}

The purpose of this section is to establish complete state control over regulation and policy pertaining to firearms, firearm accessories, and ammunition in order to ensure that such regulation and policy is applied uniformly throughout this state to each person subject to the state’s jurisdiction and to ensure protection of the right to keep and bear arms recognized by the Constitution of the United States [and of this State, if applicable]. This section is to be liberally construed to effectuate its purpose. The (insert state body) declares that the lawful design, marketing, manufacture, or sale of firearms or ammunition to the public is not unreasonably dangerous activity and does not constitute a nuisance per se, and further finds that the unlawful use of firearms and ammunition, rather than their lawful design, marketing, manufacture, or sale, is the proximate cause of injuries arising from their unlawful use.

(1) Reimbursement of actual damages and reasonable attorney’s fees and costs incurred if, within 30 days of commencement of the action but prior to a final determination by a court in favor of either party, the political subdivision rescinds or repeals the ordinance, resolution, rule or practice at issue in the action.
