We are writing you today asking that your office release records to the public and press regarding your recent trip to Palm Springs, California for the Freedom Partners Chamber of Commerce meeting, held January 24 – January 27, 2015.

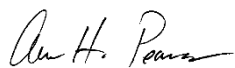

We believe the public has a right to know all communications you and your staff have had with Koch Industries and/or Freedom Partners and any taxpayer or private reimbursements you have received for your travel, lodging, food, and/or beverage.

We are asking for similar records from elected officials who are subject to the Freedom of Information Act.

Thank you for your assistance.
