SECTION 48. 118.60 (7) (am) (intro.) of the statutes is amended to read:

118.60 (7) (am) (intro.) Each private school participating in the program under this section is subject to ~~uniform financial accounting standards established by the department generally accepted accounting principles.~~ Annually by September 1 following a school year in which a private school participated in the program under this section, the private school shall submit to the department all of the following:

SECTION 49. 118.60 (7) (am) 1. of the statutes is amended to read:

118.60 (7) (am) 1. An independent financial audit of the private school conducted by an independent certified public accountant, accompanied by the auditor's statement that the report is free of material misstatements and fairly presents pupil costs ~~under sub. (4) (bg).~~ The audit under this subdivision shall be limited in scope to those records that are necessary for the department to make payments under subs. (4) and (4m), except that the audit shall include a schedule of the education costs of pupils attending the private school under this section and the balance held in a segregated fund for future educational purposes. The auditor shall conduct his or her audit, including determining sample sizes and evaluating financial viability, in accordance with the auditing standards established by the American Institute of Certified Public Accountants. The department may not require an auditor to comply with standards that exceed the scope of the standards established by the American Institute of Certified Public Accountants. If a private school participating in the program under this section also accepts pupils under s.

1 119.23, the private school may submit one comprehensive financial audit to satisfy
 2 the requirements of this subdivision and s. 119.23 (7) (am) 1. The private school shall
 3 include in the comprehensive financial audit the information specified under s.
 4 119.23 (7) (am) 1.

****NOTE: Under current law, there is no requirement that a private school participating in a choice program maintain a segregated fund for future expenses. Also, please note that this draft eliminates the alternative payment amount under sub. (4) (bg) that is equal to the private school's operating and debt service cost per pupil. Therefore, the references to financial information related to pupil costs and to records necessary to make payments under sub. (4) are unclear. These issues also apply to the financial audit required under s. 119.23. Please advise.

 8 required to be submitted by February 1, each private school participating in the

 15 program under this section but who are not participating in the program under this

****NOTE: Please confirm that this language is consistent with PI 35.04 (9) (a). Also, please consider whether you would like this audit to be treated in same manner as the financial audit under s. 118.60 (7) (am) for the following purposes: a) the appropriation for evaluating the private school financial information s. 20.255 (1) (j), b) The reasons for which the state superintendent may issue an order barring a private school from participating in the parental choice program s. 118.60 (10) (a), c) limitations on the rules that DPI may promulgate s. 118.60 (11) (a), and d) the list of information evaluated by the full-time auditor funded with fees paid by private school participating in parental choice programs s. 119.23 (2) (a) 3. This provision is affected because the definition of "eligible district" now includes the cross-reference to the 2011 budget. However, in reviewing this provision it came to my attention that the provision requires a private school applying to the Racine parental choice program to notify DPI and pay a fee by Aug 1, 2011. The inclusion of the Aug 1, 2011 date suggests that private schools can not satisfy this provision after that date. In other words, no new private schools can qualify to participate in the Racine program. Is this consistent with current practice?

Hi Fern,

We'd like to remove some of the provisions in this draft – could you redraft with the following edits:

- Remove requirement that private schools participating in the program be non-profit programs.
- Modify the date by which schools must annually register in the program from February 1 to January 10 (originally draft had date of December 1).
- Remove administrative rule provisions related to enrollment audit requirements from statute.
- Remove requirement that new private schools must have been in existence as of May 1, 2013 or by fully accredited to participate in choice programs.
- ✓ • Remove changes to list of eligible accrediting agencies.
- Remove provision that allows parents to access DOR directly in online student applications to determine income eligibility for the program.
- Reinstate preaccreditation provisions and new school requirements.
- Reinstate provision that allow high schools to charge tuition to voucher students.
- Reinstate provision that requires DPI to certify districts eligible to participate in choice program.
- Reinstate requirement that 6.6% aid reduction to MPS be paid directly to the City of Milwaukee and the City pays the same amount to MPS.

I've attached DPI's original drafting request and crossed out the provisions that are no longer needed, but please do not discuss any of these changes with DPI. Feel free to call me if anything is unclear.

Thanks, Fern!!

DEPARTMENT OF PUBLIC INSTRUCTION

2015-17 BIENNIAL BUDGET

DRAFTING REQUEST TO THE LEGISLATIVE REFERENCE BUREAU

☒ Draft for Possible 2015-17 Budget Bill Introduction (*Agency Decision Item No. 7002*)

Subject: Choice Programs

Brief Description of Intent:

Under current law, the State Superintendent must pay a school participating in the Milwaukee, Racine or Wisconsin Parental Choice Programs, the lesser of an amount equal to the private school's operating and debt service cost per pupil that is related to educational programming or a set statutory amount. Under current law, a private school participating in any of the Parental Choice Programs is required to submit to the Department an independent financial audit of the school's per pupil cost conducted by an independent certified public accountant. The Department requests both that the set statutory amount be paid (instead of a private school being paid the lesser of the set statutory amount and the private school's operating and debt service cost per pupil) and that the private school be required to submit a GAAP audit that includes a schedule showing educational costs and the fund balance held in a segregated fund for future educational purposes.

~~Under current law, criteria is outlined for whether a school district is deemed eligible to participate in the Racine Parental Choice Program. Under current law, the Department is required to certify a list of districts eligible to participate on November 15 of the second year of the fiscal biennium. The Department requests these requirements (s. 118.60 (1) (am) and (1m), Wis. Stats.) be eliminated.~~

Under current law a private school participating in the Milwaukee and Racine Parental Choice Programs must accept pupils on a random basis except that the private school may give preference in accepting applications to pupils who attended the private school previously; siblings of those pupils; and pupils who attended a different school under the Parental Choice Programs. The Department requests specifying the following preferences: (1) continuing choice students applying to the same school; (2) siblings of continuing choice students that received a seat; (3) continuing choice students applying at a different school; (4) siblings of continuing choice students applying at a different school that receive a seat; and (5) siblings of students accepted to the school. The Department requests that these preferences be used in administering the Wisconsin Parental Choice Program random selection. Schools in the Milwaukee Parental Choice Program and Racine Parental Program may grant these preferences.

~~Under current law, there is no requirement for private schools in the Milwaukee, Racine, or Wisconsin Parental Choice Programs to be non-profit organizations. The Department requests that private schools participating in any of the three Parental Choice Programs be non-profit organizations.~~

Under current law, a private school must notify the State Superintendent of its intent to participate in any of the Parental Choice Programs by February 1 of the previous school year. The Department requests that the date by which schools must annually register to participate in the program be changed from February 1 to ~~December 4~~. Use January 10 instead.

Under current law, a private school participating in any of the Parental Choice Programs must annually file with the Department a report stating its summer average daily membership equivalent and its summer choice average daily membership equivalent by October 15. The Department requests the due date for the summer school report be changed from October 15 to October 1, which is the same deadline for public schools. Additionally, some prior summer school provisions in ss. 119.23 and 118.60, Wis. Stats., are no longer applicable due to the prior budget changes to summer school funding. The Department requests these provisions be removed.

Under current law, a teacher must have a bachelor's degree from an accredited institution of higher education. An administrator must have at least a bachelor's degree. A copy of the bachelor's degree must be provided to the school. The Department requests the list of allowable teacher and administrator credentials be expanded to include a DPI issued educator license.

~~Currently under ss. 119.23 and 118.60, Wis. Stats., there are no audit requirements for the private school's enrollment report. The Department requests the requirements from PI 35.04 (9) (a), Wis. Adm. Code., be added in statute.~~

~~Under current law, the requirement to be in operation on May 1, 2013 sunsets after 2014-15 for the Wisconsin Parental Choice Program. The Department requests that new private schools have to be in existence as of May 1, 2013 or be fully accredited to participate in Parental Choice Programs in the future. If this request is accepted, the preaccreditation provisions in ss. 119.23 and 118.60, Wis. Stats and the recently enacted new school requirements (ss. 119.23 (2) (ag) and 118.60 (2) (ag), Wis. Stats.) could be deleted.~~

~~Under ss. 119.23 (1) (ab) and 118.6 (1) (ab), Wis. Stats., accrediting agencies are listed for the Parental Choice Programs. The Department requests modification of the statutory list of eligible accrediting agencies to remove the National Council of Private School Accreditation and only list the following specific organizations that are members of NCPSA: Accrediting Association of Seventh Day Adventist Schools, Association of Waldorf Schools of North America, National Accreditation Board of Merkos L'Inyonei Chinuch and North American Christian School Accrediting Agency.~~

~~Under current law, a private school participating in any of the Parental Choice Programs may submit student information to determine student income eligibility for the Parental Choice Programs to the Department of Revenue. The Department requests that parents be allowed to access the Department of Revenue directly in the online student application to determine income eligibility for the program.~~

~~Under current law, private schools are required to provide continuing eligibility reports and grade promotion reports; submit test scores from additional tests not required under state law, and participate in Pupil Assignment Council Meetings. The Department requests these requirements be removed.~~

~~Under current law, high schools are allowed to charge tuition to voucher students. The Department requests this provision be eliminated.~~

~~Under current law, 6.6 percent of the aid reduction to Milwaukee Public Schools related to the Milwaukee Parental Choice Program is required to be paid directly to the City of Milwaukee and then the City is required to pay that same amount back to Milwaukee Public Schools. The Department requests this requirement (s. 121.137, Wis. Stats.) be eliminated.~~
