My general feeling and approach has been to NOT participate in interviews or comments from press.. On work related or client related issues. Does the village have a policy or view on this topic? Not sure we have much to gain.

Hello Trustee Leider,

This is Ivan Moreno, I'm a reporter with The Associated Press in Illinois. I hope you're well. Writing up a story today about the vote yesterday to create a right-to-work zone in Lincolnshire. I'd like to get comments from the trustees about this. The Daily Herald story on the meeting said trustees didn't comment before the vote. I'd like to get your perspective on why you voted for this. Please email or give me a call when you have a moment today. My cell is [REDACTED] and email is [REDACTED]
